COLLEGES AND SCHOOLS.

Louisburg Female College,
FRANKLIN CO., N. C.

THE FALL SESSION OF 1868 will begin on the 10th day of August.

The success of the institution, under its present administration, has far surpassed the expectations of its most sanguine friends.

CHARGES PER SESSION OF 20 WEEKS:

Board (exclusive of washing and lights) and Tuition in the regular English course and Ancient Languages, $100. Extra Studies moderate. $50 in advance,—remainder at the end of the session.

ADVANTAGES.

An able, energetic, and successful Faculty; an extensive and wisely arranged course of study; a judicious and thorough system of instruction; a select Chemical and Philosophical apparatus; a good Library; fine Musical Instruments; a beautiful, pleasant, and healthful location; a large, commodious building, with rooms well ventilated and well warmed in winter; excellent water, good fare; kind attention to the wants of the pupils; mild and efficient government, and ample Religious privileges.

For Circulars, containing full particulars, apply to T. M. JONES,
June 15-tf President.

Wake Forest College, N. C.

THE FALL TERM OF THIS INSTITUTION will open on the first day of August, 1868, with the prospect of increased patronage and success. The complete assurance given at the recent Commencement, of the adaptedness of the University system to the wants of the times, and of its feasibility, encourages its friends to believe that the College has entered upon a career of popularity and usefulness hitherto unknown in its history. The financial embarrassments by which all Southern Colleges have been subjected are not felt to the same extent at Wake Forest, as at some others, in consequence of the considerable amount of original endowment saved, and of the favorable reception with which the Agent of the College meets in securing additional funds. An expenditure of more than $2,000 has been recently made in improving the condition of the building and grounds.

Designed to bring its advantages within reach of the largest number possible, the Trustees, seconded by the community, have reduced the price of Board and Tuition to the lowest practicable rates.

The officers of instruction are gentlemen of tried ability in their several departments, and the success attending their efforts in the past is the best guarantee the public can have for the future.

The location of the College, in point of healthfulness and accessibility, (being situated on the Raleigh & Gaston Railroad, a few miles from the Capital of the State,) is not surpassed by that of any other in the land; while the moral and social influences connected with and surrounding it, and the peculiar discipline enforced, present inducements to patronage of no ordinary kind.

A system of PUBLIC LECTURES on literary and scientific subjects has been introduced, with a view to increase the interest of the young men in the several departments of study, and to furnish additional incentives to investigation and research.

Extensive and well selected LIBRARIES belonging to the Society, and complete APPARATUS, PHILOSOPHICAL and CHEMICAL, are not to be omitted in the enumeration of the advantages possessed.

Another encouraging feature is that there are, at present, thirteen young men engaged in studies preparatory to the work of the Ministry; and it may not be amiss to state that any Minister, who may apply for admission, will receive tuition in all the departments free of charge; and those of this class, who are without means, are encouraged to apply to the Board of Education for further assistance.

EXPENSES IN CURRENCY:

Tuition for Preparatory school (per Session)	$30.00
" Collegiate Course, "	35 00
Board per week in private families (table fare)	2 50 to 3 00

A CARD.

SEVERAL months ago, I purchased the entire stock of goods owned by BRANSON, FARRAR & CO., and continued the business, changing the name afterwards to Branson & Jones,—advertising myself as Proprietor and Mr. Branson as Agent for the N. C. Business Directory.—But as some persons seem, erroneously, to consider it a partnership or to blend the interest of the former firm with my own I shall henceforth conduct the business under my own name alone, unless some partner should be taken hereafter. Mr. Branson will continue to be General Agent for the N. C. Directory, which will necessarily engage most of his time and attention.

I shall be pleased to furnish our friends and the public with BOOKS, STATIONERY, SHEET MUSIC and other articles in our line, at lowest cash prices.

NATIONAL DEMOCRATIC TICKET:

FOR PRESIDENT,

HON. HORATIO SEYMOUR,

OF NEW YORK.

FOR VICE PRESIDENT,

GEN. FRANK P. BLAIR,

OF MISSOURI.

THE ARMY BILL.

For the rebel Radical army bill, passed by the Senate on yesterday, and which will no doubt become a law, the people are indebted to the extraordinary exertions of "Gov." Holden, John Pool and Gen. J. C. Abbott. No portions of the State are likely to be injured by this bill so much as Mr. Pool's, and the section in which Mr. Abbott has a temporary abiding place; and no where will the public scorn and contempt be more emphatically visited upon them.—The white people of the Northeast Counties will learn, now, the true feelings of John Pool for them, and, hereafter, they will know better how to appreciate him.

Since reading the bill carefully, we find it is not quite so offensive or so incendiary as the "Police Force" bill, though it is liable to most serious objections,—some of which we will briefly present. The idea which the Radicals in this State endeavor to impress upon the public is, *that the Conservatives and Democrats are disposed to be captious and riotous, that they design to intimidate voters and prevent men from voting as they desire;* and, *further, that the Conservatives and Democrats intend to offer armed resistance to the present bogus State government.* We assert that the entire idea is *an infamous libel* upon the Conservatives and Democrats. We defy the Radicals to prove, or to give the *semblance* of proof of, any such idea. It is false, in every particular.

The Conservatives and Democrats are friends of peace, of law, of order, of the Constitution, and a restored Union of the States, on equal terms. They design to support the laws and the Constitution of this State, though they regard them as illegitimately *forced* upon them, until they are lawfully repealed. *That is our position.* But the Conservatives and Democrats *demand that the laws shall be administered impartially* in all cases, and they *demand a fair, untrammelled and impartial election at the ballot-box.* These they *must* have, *and they will sustain any man*, white or black, in the exercise of his legal title to vote as he pleases. The Radicals profess that they desire this, and contend that this bill is designed *for* this. If so, both parties are agreed, and there is no use for the detailed militia, provided for in this bill.

This bill is *unconstitutional*, in that it provides for the organization of a volunteer force by the Governor, to be employed by him to execute the laws, &c., and is, to all intents and purposes, just such a force as the Constitution of the United States *forbids* the States to use or employ. It would be the solemn duty of the President to notify "Gov." Holden *to desist from organizing it*, or to disband it, as soon as organized, as it so palpably violates the prerogatives of the general government, itself, in the employment of an armed force.

It is *unconstitutional*, inasmuch as the seventh and seventeenth sections of the bill, which forbid that white and black persons shall be compelled to serve in the same companies and sections, make a distinction in regard to color which the Constitution does not recognize. We, of course, favor earnestly the principle of separating the two races, on account of color, as God himself has done, but we nevertheless regard this feature as unconstitutional. And if the negroes desire to test it, they can do so by contending for their rights of color and of citizenship, by insisting that they shall be mixed in with whites in the formation of companies. If ejected by the officers, the law is open to them.

The bill is seriously *offensive*, and ought to be to every republican freeman, because it empowers "Gov." Holden to appoint every officer, a thing unknown in the history of North Carolina. From the beginning, our militia and volunteer forces always had the right of electing at least their company officers.

It will be a terribly *expensive* affair. The Governor will have the power to accept and organize a volunteer force of 6,000 men and upwards, for the purposes named, which necessarily implies the power to pay and support them; and the bill appropriates of the public monies all that is necessary for it, when found in the Public Treasury. To organize and get the force ready to do service will occupy months, and the men and officers must be paid and supported. It will cost more than $1,000,000. Who is to foot the bills? We warn the bogus Radical-rebel General Assembly to beware! All this expense will be incurred, if five Justices of the Peace, *of Holden's appointing*, in any County, shall request that the Governor shall direct the Col. Commanding to detail, organize and equip a detailed militia!! More anon.

VOTE for Grant and Colfax and you vote for war and revolution.

THE LEGISLATURE YESTERDAY.

The hour at which the Senate adjourned, on yesterday, and the press of business in our office, incident to the Convention, compel us to give only an abstract of the simple business proceedings, this morning. Our reports of the debate on the Militia bill will be written out in full, that *the people* may see the positions taken by various Senators, and the tyrannical and infamous spirit which governed the majority. The atrocious War Bill, it will be seen, passed the Senate, and it now goes to the House for concurrence. It will certainly pass, and the consequences—for which the men who passed it will be responsible—may be of the most serious character. May Heaven avert them! We will refer to the matter as it deserves, when we have time.

In the House, a bill passed its several readings "to prevent bribery, intimidation or coercion in elections." It is said to be the immediate handiwork of John Pool, and is worthy of its little author. We will publish it, if it becomes a law. The first persons liable to indictment under it, if it is worth the paper on which it is written, will be those Radical officials, Railroad Presidents, and others, who have discharged employees for being Democrats and Conservatives.

PRESIDENTIAL ELECTORS.

It is important that the Democrats and Conservatives of this State, in the selection of suitable gentlemen for Presidential Electors, should carefully avoid any action which would give the Congress any ground for objecting to them. We believe it is universally conceded by all, that the Presidential electors must not be *branded* by the 14th (Howard) amendment. Some suppose that it will be necessary that they should be able to take the test oath, but the correct opinion is, we believe, that this is not requisite.

It is suggested, and seems to be generally approved, that the delegates in attendance at the State Convention, from the several Districts, shall hold meetings while here, and select the Electors for their several Districts, provided the delegates present shall deem it advisable.

THE JUDGES.—The Radical-rebel organ of this city, the *Standard*, says that it is "gratifying to *know* that the entire Supreme Court will go with the Chief Justice for Grant and Colfax." Why, we did not suppose that any one has doubted this, at any time, since the qualification of the Judges. Not one of them has been regarded, since, as a Conservative, and the inveteracy of office-holding, if nothing else, would keep them aloof from the detested Conservatives.

Moreover, the *Standard* says, it is "gratifying to believe that every single District Judge in the State will support the same ticket." We should not be surprised, (except in the case of Judge Mitchell,) and joy go with them! The Radicals elected them as nothing else, and, being the winning party, of course all the Judges are Radical. We say *except* Judge Mitchell. We are inclined to think that if you were to put him into a mortar and pound him with a pestle, you could not make a *Radical* of him. Yet we do not "*know*" positively his position. Human nature, in these times, is too weak and unreliable, for one to speak too confidently of any man.

JUDGE PEARSON'S LETTER.—We shall defer, until the pressure upon our columns is removed, any elaborate review of Judge Pearson's recent letter. Its character and contents do not intrinsically merit it. A more vulnerable or a weaker letter never came from such a source. The character and position of Judge Pearson, himself, give far more importance to it, than any thing he has said. Its illogical, feeble and untenable positions shall be reviewed, when our columns are less burdened and our time less engrossed.

MASS MEETING IN SELMA.—We learn that the Mass Meeting and Democratic Barbecue at Selma, on Tuesday, was an immense affair. About fifteen hundred persons were present and the occasion passed off gloriously. The concours were ably and eloquently addressed by Col. R. H. Cowan, Maj. J. A. Engelhard, of the Wilmington *Journal*, Capt. S. T. Williams, J. W. Sharp, Esq., and other gentlemen, whose names we have not heard. The enthusiasm was unbounded. We hope to be furnished with a full account of this imposing demonstration.

THE REBEL organ in this City, the *Standard*, says that, during the last campaign, "Col. Cantwell's letter to Judge Dick was widely circulated,—25,000 copies." The grocers are duly thankful for the supply of wrapping paper. We have never yet seen the individual who had courage enough to read *that* letter.

THE NEWBERN *Journal of Commerce* says that "if an irresponsible militia, composed only of the "loil," (all of us understand who will be considered "loil,") shall be armed and attempt *illegal* arrests, they will be resisted, let the consequences be what they may."

The pretended Legislature of South Carolina wants to borrow $125,000. Anybody anxious to invest in the South Sea bubble?—*N. Y. World.*

The rebel Legislature of *North* Carolina is in the market to borrow $100,000. Who bids?

The Radicals are, evidently, not so much at ease about the Presidential election, and so confident of the election of Grant and Colfax as they were a short time since.—The *Tribune*, for instance, the real organ of the Radicals, say: "We do not believe, nor wish others to believe, Gen. Grant's election certain. We would have every one realize that the election is not yet decided; that the Republicans can win if they work, but must lose if they are heedless or apathetic."

Campaign exigencies have evolved no less than fifteen Lives of Gen. Grant. He will need them all if he expects to live long enough to be President of the United States.

GRANT says "Let us have peace." What does he mean but that the "Empire is peace!"

GENERAL ASSEMBLY OF NORTH CAROLINA.

BY AUTHORITY OF CONGRESS.

FIRST SESSION.

SENATE.

WEDNESDAY, Aug. 12, 1868.

Senate was called to order at 10 o'clock.

The bill to incorporate the Enterprise Manufacturing Co. passed its third reading.

Mr. Welker offered a resolution, authorizing the Principal Enrolling Clerk to employ not exceeding two assistants, at $4 per day; which was adopted.

THE SPECIAL ORDER, *viz:*

The bill to organize a detailed militia in this State, was taken up.

Mr. Wilson, of Forsythe, offered to amend sec. 5., as follows:

"All division and brigade commanders shall be appointed by the Governor, field officers of regiments shall be elected by the commissioned officers of the Companies comprising each regiment respectively, and the officers of each Company shall be elected by the rank and file of each Company."

The motion was lost by the following vote:

AYES.—Messrs. Barnes, Beeman, Love, Melchor, Mason, Osborne, Purdie, Robbins, Wynne and Wilson—10.

NAYS.—Messrs Beasley, Bellamy, Brogden, Burns, Blythe, Colgrove, Cook, Davis, Eppes, (negro,) Forkner, Galloway, (negro,) Hayes, Harrington, Hyman, (negro,) Jones, of Wake, Legg, Lassiter, Long, Martindale, Moore, of Carteret, Moore, of Yancey, Rich, Richardson, Smith, Sheffner, Sweet, Welker and Winstead—28.

Mr. Osborne proposed to amend the 9th section, by providing that, instead of authorizing the Governor to call out the force, by the request of five Justices of the Peace, to add the Sheriff of the county and five Justices. The motion was lost.

Mr. O. also moved to amend the 12th section, so as to authorize any office to call out this force, at the request of a Judge, five Justices, or the Sheriff, striking out deputy, county or town constable, or any County Commissioner. The motion was lost.

Mr. Osborne offered, as an additional section, the following:

"That the detailed militia, provided for in Sec. 5, is only designed to aid the Sheriff in each county in the preservation of order: That said detailed militia, while on service in each county, shall be under the control and direction of the Sheriff of said county—shall obey his orders, and be continued in service in said county only so long as he may require."

The motion was lost by the following vote:

AYES—Messrs. Barrow, Barnes, Beeman, Lindsay, Love, Melchor, Mason, Osborne, Purdie, Robbins, Sheffner, Wynne, Winstead and Wilson—14.

NAYS—Bellamy, Brogden, Burns, Blythe, Colgrove, Cook, Davis, Eppes, (negro,) Forkner, Galloway, (negro,) Hayes, Harrington, Hyman, (negro,) Jones, of Wake, Legg, Lassiter, Long, Martindale, Moore, of Carteret, Moore, of Yancey, Rich, Richardson, Smith, Sweet and Welker—23.

Mr. Robbins offered an amendment to the 22d section, forbidding any organized body of the detailed Militia from being allowed to approach within one quarter of a mile of the polls, during an election, unless in case of an actual riot. Lost.

Mr. Osborne offered the following, as an additional section to the bill:

"That the provisions of this bill, contained in Sections 2, 10, 11, 12, 13, 14, 15, 16, 17, 18, and 22, shall continue six months, and no longer, unless otherwise directed by the General Assembly, by appropriate legislation." Lost.

Mr. Love arose to offer an amendment, when Mr. Sweet moved the postponement of the question for five minutes to make a motion to place the previous question second in order in the rules.

Mr. Love protested against this action, on the part of the majority, as unjust to the minority, and was proceeding to discuss the question, when the Chair called him to order.

Thereupon Mr. Colgrove called the previous question.

Mr. Love asked him to withdraw it a moment, to enable him to offer an amendment in good faith.

Mr. C. declined, and Mr. Love denounced his course as an additional evidence of the disposition of the majority to prevent free speech.

The main question was then called, and the bill passed its third reading, as follows:

AYES.—Messrs. Barrow, Beasley, Bellamy, Brogden, Burns, Blythe, Colgrove, Cook, Davis, Eppes, (negro,) Forkner, Galloway, negro, Hayes, Harrington, Hyman, negro, Jones, of Wake, Legg, Lindsay, Lassiter, Long, Martindale, Moore of Carteret, Moore, of Yancey, Richardson, Smith, Sheffner, Sauet, Welker, Wynne and Winstead—30.

NAYS—Messrs. Barnes, Beeman, Love, Melchor, Mason, McLaughlin, Osborne, Purdie, Rich, Robbins and Wilson—11.

On motion, the Senate adjourned.

[The Reporter prepared copious notes of the debate in which Messrs. Osborne and Robbins, most ably and forcibly, opposed the bill and Messrs. Winstead, Jones, of Wake, Lassiter, Wynne and Brogden, *in favor of the bill*, took part. The discussion took a wide range and continued to a late hour. Our limits prevent a notice of the debate to day, but we will endeavor to give a *resume* of it to-morrow.

The bill, itself, shall also appear to-morrow.]

HOUSE OF REPRESENTATIVES.

[BY UNDERGROUND RAILROAD.]

House was called to order at the usual time.

Prayer by Rev. Morris, (negro,) of the House.

On motion of Mr. Sinclair, the rules were suspended, and the bill regulating taxation in incorporate towns was taken up.—Mr. S. offered an amendment to Section 2, inserting $300 in lieu of $100. The amendment was put to a vote and adopted.

Mr. Seymour objected to the whole bill and moved its reference, with the amendment, to the Judiciary Committe. The motion was put and prevailed.

By Blair: A bill to equalize the tax lists in Randolph County, known as the Convention tax. The bill passed its several readings under a suspension of the rules.

On motion of Mr. Seymour the rules were suspended, to take up the bill entitled an act to amend an act to incorporate the Newbern Gas Light Company. The bill passed its several readings, and was ordered to be engrossed and sent to the Senate.

The hour arrived for the special order: A bill to amend the Charter of the Chatham Rail Road Company.

Mr. Pou opposed the passage of the bill until it was better known. He wished to know what security the State would have for the investment of her bonds in said road, and cautioned the House to look well to the securities. Such bills should be well considered and have mature consideration. He moved that the bill be printed and laid on the desk of each member to-morrow morning.

Laflin entered into a defence of the bill, generally, and insisted that the State could lose nothing, as it was not a loan, but a mere exchange of bonds.

Harris, of Wake, (negro,) opposed the motion to print, as it would delay the passage of the Bill. He moved to lay the motion to print on the table. The motion was put and carried.

Mr. Hodnett said he thought that was legislating impulsively. Yesterday the House passed bills rapidly, involving the State to the amount of nearly six million of dollars, and were endeavoring to increase her liabilities three millions more without having any time for examination or consideration. We were following in the footsteps of Tennessee, and we would soon reach her condition. We must attach more importance to these Railroad bills, especially as they involve our credit.

Mr. Sinclair advocated the passage of the bill.

Ku Klux Ingram wanted to put in his little "word or two." He was very honest but lacked information; however, he would raise his voice in favor of the bill, and he raised it, subsided, slept and was heard no more.

Laflin thought some were getting too inquisitive, and, therefore, called for the gag-law. The call was hearkened to and sustained by his Radical brethren, who were in the secret.

Upon its final passage the yeas and nays were called, and the bill passed its third reading, by a vote of yeas 58, nays 17.

A message was received from the Senate, asking the concurrence of the House in a resolution to employ two additional Clerks at $4 per day.

Mr. Sinclair moved to concur.

Mendenhall objected. He said the present clerical force was not employed half the time.

Sweat, (negro,) also objected, saying that the difficulty was in the incompetency of the present Clerks. They should have looked to common sense at the beginning. The further consideration of the resolution was postponed.

Mr. Speaker Holden took the floor and moved to take up Senate bill to incorporate the Life Insurance Annuity and Trust Co.

The bill was taken up and passed its several readings.

Laflin called up the bill to amend the charter of the Western N. C. R. R. Co.

Mr. Pou moved to print the bill and make it the special order for some hour to morrow.

Candler objected to the postponement.

Old Major Downing, having refreshed himself by a good nap, thought it was time to take a hand; he, therefore, moved to lay the motion to print on the table. The motion was adopted, and the bill passed its third reading, by a vote of yeas 70, nays 12.

Laflin called up the bill to amend the charter of the Williamston and Tarboro Railroad.

The Speaker, not thinking a quorum present, ordered the doorkeeper to hunt up the "cheese and cracker brigade" and seat them. They were accordingly marched in.

Laflin called the previous question. The call was sustained, and the bill passed its third reading, by a vote of yeas 67, nays 10.

Harris, of Wake, negro, called up the bill to punish bribery and coercion in elections, (drawn up by John Pool.)

Mr. Durham was opposed to the second section, especially. It was a matter that this Legislature had nothing to do with.—It was perfectly absurd and ridiculous for this body to attempt to pass such a bill.—Legislators would stultify themselves by passing such a law. It plainly showed the cowardice of the Radical party. They endeavored, by all the legislation in their power, to drive the people into adopting their views and voting for their candidate. It is, in spirit and letter, an attempt to intimidate men from giving a fair expression of opinion in the next election.

Mr. Sinclair said he thought the gentleman misinformed as to the intention of the bill. He put a different construction upon it. There were some objections to it.—Strike them out and he would support it.

Mr. Argo was in favor of any bill to prevent bribery or coercion, but wanted a bill that would prevent such things, drawn up in a proper and legal manner,—one that would protect the rights of all, and not infringe upon the rights of any. He moved to amend, by striking out sections 2, 3, 5 and 7.

Seymour called for the previous question. The call was sustained and the question recurred upon Mr. Argo's amendment.

The question was put, the amendment was rejected, and the bill then passed its third reading.

Old Major made a motion in regard to the bill, to which no one paid the least attention.

On motion of Mr. Sinclair, the House then adjourned.

The lost game of thimble rig has a beautiful exemplification in the militia law of the African Legislature of Arkansas. Section eight says any person subject to militia duty may commute by paying five dollars, and section fourteen says the bogus Governor "shall have full power to order into active service the military force of this State."—This is Grant's policy of attrition—grind out of 'em all you can.—*New York World.*

The so-called "militia law" of our rebel Legislature proposes to let any one of those subject to military duty commute for *two* dollars. Every decent man in the State, who can raise $2, will be very apt to commute. So that the regular militia will certainly consist of shirtless vagabonds, black and white, who have no interests at stake. This is what the Radical-rebels want.

EXTRACT from a letter dated Hendersonville, August 5, 1868:

"We have some little political excitement here. Governor Holden's manifestos that none but "Loyalists" shall have office, place or employment in the State, are waking up our people to the necessity of self defence and the protection of themselves and friends. Many of them are determining to rent no lands to, nor employ any of, their Radical proscription persecutors, on their premises, after the expiration of their present contracts, black or white. Perhaps, the Governor can take care of them. But the property holders do not feel safe in harboring and supporting a set of secret, oath-bound conspirators, eating out their substance and voting away their liberty and property, at the dictation of unprincipled tyrants."

AN EXPRESS GOVERNOR.—They tell this tale in Georgia: Bullock, who "writes himself Governor" of that State, was formerly the Southern Express agent at Atlanta. On the Sunday after his "inauguration" he determined to cut a splurge in the way of church-going, and a fine equipage was ordered from a livery stable, but the horses not proving stylish enough to suit the fastidious taste of the "Governor," he had them taken out, and substituted a pair of fine black express horses. The equipage dashed through the streets with liveried driver, and of course attracted considerable attention. Just as the carriage stop was opposite the door of the church the driver called to the proudly prancing steeds, whoa! and in an instant the noble animals, true to their education and habits as "express carriers," wheeled upon the arc of a circle corresponding with the length of the pole of the carriage, and backed the vehicle with a jam and crash, into the very door of the sanctuary. The "Governor" has not appeared in state since.

FROM TENNESSEE—THE GOVERNOR TO CONTROL THE MILITIA.

NASHVILLE, TENN., Aug. 8.

In the House a bill has been submitted by the military committee giving Governor Brownlow absolute power to arm and equip as many regiments as he pleases. The bill is certain to pass, and it is equally certain that the regiments will be in part made up of negroes. Hundreds of the latter are now arriving here, waiting for a chance to be mustered in, while a number of whites are busy trying to secure positions as officers.

Petitions are pouring in by the dozen earnestly imploring the Legislature not to call out the militia. It is not improbable that the Conservatives in the State will entirely withdraw from the canvass.

If a decision is arrived at that the canvass will go on with the militia in the field, it will be an impossibility to prevent riot and bloodshed. There is a division of sentiment in the democratic ranks as to what course to pursue.

A rumor having gained considerable currency that a number of persons were banded together to burn the city, some of the prominent citizens met yesterday to make an investigation. Nothing could be discovered to implicate any one except a half-witted white man, who has been threatening terrible vengeance against the city.

The *Press* and *Times* yesterday morning contained details of terrible outrages in Williamson county, by the Ku Klux, on a lot of negroes, wherein one was shot dead and a number badly wounded. The grand jury of the county made an investigation to day, in which it was found that the story was false.

SOUTH CAROLINA—THE DEMOCRATIC STATE CONVENTION.

COLUMBIA, S. C., Aug. 9.

The Democratic Convention for the choice of Presidential electors adjourned last night. All the districts in the State (thirty-one in number) were represented by their ablest public men.

On motion of Gen. Wade Hampton, Capt. Medary, Vice President of the Soldiers' and Sailors' Convention, was invited to the platform amid great applause.

On motion of Judge Aldrick a resolution was adopted, in the name of the Democracy of South Carolina, extending their thanks to the delegations from the North, East, and West, by whom the Southern delegations were received in the New York Convention.

The resolution says: "We accept that reception as an evidence of sympathy and sincerity, and gratefully declare that it has done more to heal the wounds of the past than any other event since the war."

Other resolutions endorse the platform, express gratitude to Andrew Johnson, and return thanks to the citizens, soldiers, and sailors of the North who have raised their voice in behalf of an insulted and outraged section.

On motion of Wade Hampton, it was

"*Resolved*, That while entering our protest against the Radical reconstruction acts, we rely confidently on constitutional agencies and peaceful measures alone to bring us the relief sought and reforms needed."

The proceedings were exceedingly harmonious.

LOCAL DEPARTMENT.

THURSDAY, AUGUST 13, 1868.

The Reception of the Delegations Last Night!

MAGNIFICENT DEMONSTRATION!!

GREAT ENTHUSIASM!!

Telegrams received during the day, on yesterday, informed our people that large delegations from glorious old New Hanover, and the counties on the line of the various Railroads, were en route for Raleigh, *via* Weldon and the Raleigh and Gaston Railroad.

About 7 o'clock, P. M., the city Young Men's Seymour and Blair Club formed in front of the Court House, and a cavalcade of thirty-seven mounted men wheeled into line at the same place. This organization was gotten up under the immediate auspices of our public-spirited young townsman, Thos. G. Jenkins, Esq. Each horseman wore an appropriate scarf of red, white and blue, and each horse's head was decorated with a flag bearing the inscription of each one of the States. At the head of the cavalcade the United States flag was carried by W. C. Parker, former color bearer of the 14th. N. C. Troops. The whole presented a highly imposing appearance.

The cortege moved to the Depot, accompanied by torch-bearers and a large concourse of citizens. About 9½ o'clock, the whistle of the approaching engine set the crowd all ablaze with enthusiasm.—Soon the cannon from a flat-car on the nearing train thundered forth, music aboard set forth its thrilling strains, and cheer on cheer from hundreds of throats rent the air.

The various delegates were welcomed, in a stirring and appropriate address, by C. M. Busbee, Esq., President of our Young Men's Club, which was most handsomely and eloquently replied to by Col. A. M. Waddell, of the New Hanover Delegation.

A procession was then formed, which marched through several of the streets to the Club room prepared for the New Hanover delegation. At every stage of its progress, loud and enthusiastic were the shouts and huzzas.

The New Hanover delegation was accompanied by a detachment of the colored Club of Wilmington, two bands of music, martial and instrumental, several minor transparencies, and some grand pyramidal transparency, carried on a wagon, exhibiting full-size likenesses of Seymour and Blair and beautiful and patriotic mottoes.

But of all these things, we must defer notice. We write this hasty paragraph at the hour of midnight, and cannot pretend, of course, to do justice to the inspiring occasion.

We should estimate that between five and six hundred delegates arrived on the trains last night. Every prospect indicates a grand and glorious Convention of patriotic freemen! NORTH CAROLINA IS AROUSED! *The ball is fully in motion!!*

We regret to state that, at the Depot, while awaiting the arrival of the trains, a serious riot was, at one time, imminent, which was only prevented by wonderful forbearance on the part of the white men. A difficulty having occurred between a white man and a negro, it was made the pretext for a turbulent and riotous demonstration on the part of certain negroes.—Stones were thrown by the n—one of which struck a young gentleman of the city, painfully, though slightly, wounding him.—The number of white men present was sufficient, had a collision taken place, to have annihilated the disturbers of the peace, which makes their prudence and forbearance the more commendable and remarkable. A. H. Galloway, of New Hanover, deserves great credit for his prompt rebuke to the disorderly men of his color, and his efforts to restrain their violent and insulting exhibitions. This demonstration, taken in connection with a threatening letter, leads to the certainty that it was, in a measure, premeditated. But, from prudential reasons, and, on account of the lateness of the hour, we stop here.

TUCKER HALL.—This magnificent room is ready for the reception of the Convention, to-day. The ladies of the City, with their characteristic taste, have decorated it beautifully. The Hall presents a gala aspect, that is calculated, of itself, independently of the stirring scenes that will be witnessed within its walls, to inspire pride and enthusiasm. All honor to the ladies,—ever patriotic, true and forward in good words and works! We will give our readers, to-morrow, a full description of the appearance of the Hall.

OUR READERS must not expect much from us until the Convention is over. We will try to keep pace with the current news of the day, the drift of Legislative proceedings, and to give the public some idea of the doings of our great State Convention.

PERSONAL.—Our friends and brethren of the craft, Maj. J. A. Engelhard, of the Wilmington *Journal*, and Capt. R. A. Shotwell, of the Western *Vindicator*, arrived on yesterday, to attend the Democratic Convention. We are pleased to see them both in excellent health and spirits.

"Mr. Speaker, I am alarmed at the condition of the country. *It is proposed to send arms to North Carolina, that the people may use them against each other. Great God! we cannot afford to fight each other.* KEEP AWAY YOUR ARMS! DO NOTHING TO IRRITATE OUR PEOPLE, BUT DO EVERYTHING IN YOUR POWER TO ASSUAGE AND HEAL THE EXCITEMENT THERE. We want no arms. I WARN THE HOUSE THAT IF ARMS ARE SENT THERE WE WILL BE RUINED; we cannot live there. If we need anything in the way of arms, in God's name send an army of the United States there, *but do not arm neighbor against neighbor. There never was a more mischievous measure than this proposition to arm one class of our people against another.*"—*Mr. Boyden's speech in the House of Representatives.*

THE PEOPLE MOVING!

WASHINGTON.

Meeting in Plymouth on the 10th. inst. Chas. Latham, Esq. presided, and Jas. N. Windley, Esq. was appointed Secretary.—Excellent resolutions were adopted,—among others, one denouncing the infamous War Bill of the present bogus Legislature, and one inviting the colored men of the county to co-operate with the Democratic Conservative party. Fifty delegates were appointed to the State Convention. The meeting was addressed by Jno. Beasley, Esq. and Maj. L. L. Latham.

CALDWELL.

Meeting in Lenoir on the 8th. inst. Gen. S. F. Patterson presided, with W. D. Jones and J. R. Wilson as Secretaries. Maj. W. H. Malone addressed the meeting in an eloquent and effective manner. A resolution was adopted denouncing the wicked War Bill of the present rebel Legislature.—Twenty five delegates were appointed to the State Convention, with Gov. Manly, Col. W. W. Dickson, Maj. H. W. Husted and Hon. Jno. H. Bryan, as Proxies. A Seymour and Blair Club was organized.

The following were unanimously adopted, viz:

WHEREAS the fundamental law of North Carolina has ever declared "that the people of this State ought not to be taxed, or made subject to the payment of any impost or duty, without the consent of themselves, or their representatives in General Assembly freely given;" *and whereas* Edmund W. Jones and James C. Harper were elected for their honesty, faithfulness and capability as representatives of this county, by a large majority; *and whereas* a body created by this revolutionary party and styling itself the "General Assembly" of North Carolina assumes to legislate for this county and levy and collect taxes; therefore

Resolved, That the people of Caldwell county do most solemnly protest against the unjust and unlawful exclusion of our representatives.

Resolved, That we still hold the fundamental doctrine that taxation and representation should go together.

HAYWOOD.

A rousing meeting in this County. A number of delegates were appointed to the State Convention, with W. L. Love, Esq., Senator from the 43rd. District, as Proxy. Haywood has six Seymour and Blair Clubs in operation, and others are forming.

CHATHAM.

Large and enthusiastic meeting in Pittsboro, on the 7th. Dr. John A. Hanks presided, and Capt. W. L. London was Secretary. A Seymour and Blair Club was formed, and the *Sentinel* Constitution adopted. A Committee was appointed to solicit members and nominate officers, and also a Committee, consisting of five colored men, to solicit members of their color. The meeting was addressed by Jno. Manning, Esq. Among the admirable resolutions adopted was the following:

Resolved, That we entertain no prejudice against the negro, but will maintain for him, and with him, his just and legal rights and privileges; and, most earnestly desiring the two races to cultivate for each other the kindliest feelings, we invite them to co-operate with us in rescuing our State from the rule of *strangers* and *aliens*, and thus to establish their freedom upon a safe and lasting foundation.

DAVIDSON.

Meeting at Tyro and Cross Road Districts, at Myers' School House, on the 8th., to form a Seymour and Blair Club. Col. Jno. Myers presided, with David Koontz as Vice President, and Taylor Walser as Secretary. A Constitution and By Laws were adopted, and all present, except one, were enrolled as members. The Club was effectively addressed by Maj. H. C. Walser, and other gentlemen.

LINCOLN.

Meeting in Lincolnton on the 8th.—David Williams, Esq., presided and Messrs. L. S. Camp and J. R. Self were Secretaries. Col. Jno. F. Hoke and David Schenck, Esq., ably addressed the meeting. Appropriate resolutions were adopted and ten delegates were appointed to the State Convention.—A meeting for the organization of a Club is to be held on the 22nd.

A. & N. C. RAILROAD.—The Newbern *Journal of Commerce* says that "the Radical axe, ground by the new Directory on this Road, has fallen upon the necks of several of the best workmen in the shops, and their heads are rolling in the sand." Let the axe swing, and let Democrats and Conservatives note the fact and govern themselves accordingly.

Correspondence of the Sentinel.

GLORIOUS FROM OLD CHOWAN—ORGANIZATION OF A SEYMOUR AND BLAIR CLUB—THE BALL IN MOTION—THE PEOPLE DETERMINED.

EDENTON, N. C., Aug. 11th. 1868.

The citizens of Edenton, *en masse*, with a goodly number of visitors from the country, assembled at the Court House, on Thursday night last, Messrs. Editors, for the purpose of organizing themselves into a SEYMOUR AND BLAIR CLUB, which purpose was effected by the election of James E. Norfleet, Esq., as President, and H. A. Bond, Sr., Esq., Vice-President, with Wm. Brenan, Esq., as Recording, and F. W. Bond, Esq., as Corresponding Secretaries, and J. R. B. Hathaway Esq., Treasurer.

The greatest enthusiasm prevailed in this first effort to convene the people, to consider their political status in this trying hour of their country's political history, and if we are to judge the future by the action of the first move of our people, we may well assure the Conservatives of other sections that, in the approaching contest, old Chowan will redeem herself from the reign of Radical terror, that has for so long been consuming her vital spark of freedom.

The Club adopted resolutions that are patriotic in their construction and unobjectionable to none other than those foul-mouthed vipers, who sail under the filthy epithet of Radical.

We have not attempted to give you a full discription of this glorious organization, Messrs. Editors, but a mere synopsis. A full account would consume too much of your valuable space, but we cannot desist, however, without noticing the able, lucid and eloquent speech of that staunch and zealous young advocate of Democratic Conservatism, Augustus M. Moore, Esq. His speech, to make short of remarks, was one of the best of the season, and let me here remark that, in the opinion of many, no better selection could be made than by making him one of our District Electors.—His style is easy,—not at all impulsive, but firm and unyielding. We truly hope to see him in a position during this campaign that will induce him to enter the field.

Major H. A. Gilliam, the old and tried wheel horse, made one of his best speeches, and we can assure all, who have never heard him, that they have missed listening to one of the most argumentative and best speakers in the State.

We have now commenced in down-right good earnest, and as the campaign progresses you shall hear from us. Preparations are now being made for the raising of a Seymour and Blair Pole, and, in fact, you can count on Chowan. We are galled and girded enough with such *carpet-bag* representatives as French, *et als*, and with the domination of *scallawags* in general. No effort will be wanting on our part to give them their final *quietus*. WILL.

For the Sentinel.

A GOOD SUGGESTION.

ORANGE COUNTY, Aug 10, 1868.

Messrs. Editors:—Since the surrender of the Southern army our people have been governed by but one principle, viz: that of entire submission to the powers that be. We have suffered much, and are prepared to suffer more. Under all the trying circumstances through which we have been called to pass, there has been but one hope that has heretofore sustained us, and that is, that God has implanted in the human breast such a sense of justice, as will eventually right those who suffer wrong. The Almighty has also given us another principle of action, viz: that we should defend ourselves, when wrongfully assailed, and not, like vile earth-worms, suffer ourselves to be trampled in the dust. There are, however, two ways of asserting our rights: first, the resistance of wrong by force; and, secondly, an appeal to the principle of right above referred to. This last would be more in accordance with the uniform character of the people of our beloved, but down-trodden, State. The great question is constantly occurring to us, how are we ever to have justice done us under the present state of things?

Take, for instance, the remarks made by Mr. Dawes in Congress, and, also, the course pursued by Gov. Holden, and the injurious charges made in connection with his call for a militia law. All this, and much more, has been done with the view of affecting the Northern mind in the approaching election. Now shall we quietly submit to this great wrong, which so seriously affects us and our children after us? There is but one peaceable way of avoiding this. We have good and great men among us, who have a national reputation. These persons have been honored by North Carolina in the conferring of every office at her command. I would allude here, more particularly, to the Hon. Wm. A. Graham and the Hon. D. L. Swain, and there are others that might be named; but the two mentioned have been especially honored by their native State in times past, and they have our confidence still, and also the respect and confidence of the whole country. Let these gentlemen, separate and apart from all party organization, and under the sanction of their names and character, make a full and fair statement of our situation, our feelings towards the Government, and the unnecessary and harsh treatment we have been subjected to; and, my word for it, the party tricks of Dawes and Holden will fall harmlessly to the ground.

This move, in vindication of the honor of the State, ought to be made at once

ONE OF THE PEOPLE.

ATROCIOUS MURDER BY A NEGRO.—We learn, from a private source, that, on Sunday last, a very worthy citizen of Washington County, by the name of George Swain, was brutally murdered by a negro under very aggravated circumstances. Mr. S. found the negro in his orchard stealing fruit, and requested him to leave. This he refused to do, and on Mr. S. approaching him for the purpose of compelling him to leave, the negro advanced, drew a large knife, and instantly killed him. This is another "rebel" outrage.

GOING WEST.—Our enterprising friend, J. B. Hunter, Esq., of Portsmouth, Va., is on his way to the Western part of the State, with a view of looking into the Dried Fruit trade, &c. We commend him to our people in that section as an energetic and liberal Merchant.

HON. D. L. SWAIN.—We are much pained to learn that the Hon. D. L. Swain was thrown from a carriage in Chapel Hill, or its vicinity, on Tuesday, and seriously hurt. We have not heard the extent of his injuries, but sincerely trust that they are not so severe or critical as have been rumored.—Prof. Fetter, who was riding in the same vehicle, was also hurt, but not seriously.

"When the storm is over, the Conservative party, representing, as it does, THE PROPERTY AND INTELLIGENCE OF THE STATE, will take the guidance of affairs, AND ALL WILL BE WELL."—*Judge Pearson's Letter.*

DESCRIPTION OF POLICIES.

First.—Whole Life Policies.

Second.—Endowment Policies, for terms of ten, fifteen, twenty, twenty-five, thirty, and thirty-five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance, or annually during a period of five, ten, fifteen, or twenty years within the insurance term; or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies, issued at the published rates, will participate in the surplus from the date of issue.

The dividends will be declared and paid annually upon the contribution plan, and may be applied as the assured shall elect, either to reduce future premiums, or to increase the Cash Value of the Policy.

If no election be made, the dividends will always be added to the Cash Values.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount*, without further payments, the assured may at his option, either continue payment of premiums—and enlarge thereby the annual additions to its Cash Value—or discontinue them; and in either case, when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a per centage of said sum, and *paid in cash*, and upon surrender of said Policy the sum insured thereby, will be paid in *full*, without regard to the time fixed therein for its payment.

This system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but, at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.

Dividends on paid-up Policies—that is, Policies which require no further payment of premium to continue them in force for the original amount of insurance—will be paid in cash upon demand.

NON FORFEITURE RULES.

No Whole Life or Endowment Policy, on which two or more annual cash premiums have been paid, shall be forfeited by failure to make further payments, as stipulated therein but will continue in force for the full amount which the Cash Value and dividends, then accumulated, will purchase—taken as a single net premium upon the "Actuaries" rate of mortality and four per cent. interest; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

No Whole Life or Endowment Policy shall be forfeited by an exposure of the assured life in violation of the conditions expressed therein, unless death shall occur THEREIN OR IN CONSEQUENCE of such exposure, when the full Cash Value of the Policy, together with all accumulations from dividends, will be paid upon its surrender.

INCREASE OF INSURANCE.

Applications to increase the sum insured on any life will always be considered as applications for new insurance, and, therefore, no increase of insurance will be granted unless the unimpaired condition of the assured life shall have been proved by medical re-examination.

NATIONAL DEMOCRATIC TICKET:

FOR PRESIDENT,

HON. HORATIO SEYMOUR,

OF NEW YORK.

FOR VICE PRESIDENT,

GEN. FRANK P. BLAIR,

OF MISSOURI.

THE ARMY BILL.

For the rebel Radical army bill, passed by the Senate on yesterday, and which will no doubt become a law, the people are indebted to the extraordinary exertions of "Gov." Holden, John Pool and Gen. J. C. Abbott. No portions of the State are likely to be injured by this bill so much as Mr. Pool's, and the section in which Mr. Abbott has a temporary abiding place; and no where will the public scorn and contempt be more emphatically visited upon them.—The white people of the Northeast Counties will learn, now, the true feelings of John Pool for them, and, hereafter, they will know better how to appreciate him.

Since reading the bill carefully, we find it is not quite so offensive or so incendiary as the "Police Force" bill, though it is liable to most serious objections,—some of which we will briefly present. The idea which the Radicals in this State endeavor to impress upon the public is, *that the Conservatives and Democrats are disposed to be captious and riotous, that they design to intimidate voters and prevent men from voting as they desire;* and, *further, that the Conservatives and Democrats intend to offer armed resistance to the present bogus State government.* We assert that the entire idea is *an infamous libel* upon the Conservatives and Democrats. We defy the Radicals to prove, or to give the *semblance* of proof of, any such idea. It is false, in every particular.

The Conservatives and Democrats are friends of peace, of law, of order, of the Constitution, and a restored Union of the States, on equal terms. They design to support the laws and the Constitution of this State, though they regard them as illegitimately *forced* upon them, until they are lawfully repealed. *That is our position.* But the Conservatives and Democrats *demand that the laws shall be administered impartially* in all cases, and they *demand a fair, untrammelled and impartial election at the ballot-box.* These they *must* have, *and they will sustain any man,* white or black, in the exercise of his legal title to vote as he pleases. The Radicals profess that they desire this, and contend that this bill is designed *for* this. If so, both parties are agreed, and there is no use for the detailed militia, provided for in this bill.

This bill is *unconstitutional*, in that it provides for the organization of a volunteer force by the Governor, to be employed by him to execute the laws, &c., and is, to all intents and purposes, just such a force as the Constitution of the United States *forbids* the States to use or employ. It would be the solemn duty of the President to notify "Gov." Holden *to desist from organizing it*, or to disband it, as soon as organized, as it so palpably violates the prerogatives of the general government, itself, in the employment of an armed force.

It is *unconstitutional*, inasmuch as the seventh and seventeenth sections of the bill, which forbid that white and black persons shall be compelled to serve in the same companies and sections, make a distinction in regard to color which the Constitution does not recognize. We, of course, favor earnestly the principle of separating the two races, on account of color, as God himself has done, but we nevertheless regard this feature as unconstitutional. And if the negroes desire to test it, they can do so by contending for their rights of color and of citizenship, by insisting that they shall be mixed in with whites in the formation of companies. If rejected by the officers, the law is open to them.

The bill is seriously *offensive*, and ought to be to every republican freeman, because it empowers "Gov." Holden to appoint every officer, a thing unknown in the history of North Carolina. From the beginning, our militia and volunteer forces always had the right of electing at least their company officers.

It will be a terribly *expensive* affair. The Governor will have the power to accept and organize a volunteer force of 6,000 men and upwards, for the purposes named, which necessarily implies the power to pay and support them; and the bill appropriates of the public monies all that is necessary for it, when found in the Public Treasury. To organize and get the force ready to do service will occupy months, and the men and officers must be paid and supported. It will cost more than $1,000,000. Who is to foot the bills? We warn the bogus Radical-rebel General Assembly to beware! All this expense will be incurred, if five Justices of the Peace, *of Holden's appointing*, in any County, shall request that the Governor shall direct the Col. Commanding to detail, organize and equip a detailed militia!! More anon.

VOTE for Grant and Colfax and you vote for war and revolution.

THE LEGISLATURE YESTERDAY.

The hour at which the Senate adjourned, on yesterday, and the press of business in our office, incident to the Convention, compel us to give only an abstract of the simple business proceedings, this morning. Our reports of the debate on the Militia bill will be written out in full, that *the people* may see the positions taken by various Senators, and the tyrannical and infamous spirit which governed the majority. The atrocious War Bill, it will be seen, passed the Senate, and it now goes to the House for concurrence. It will certainly pass, and the consequences—for which the men who passed it will be responsible—may be of the most serious character. May Heaven avert them! We will refer to the matter as it deserves, when we have time.

In the House, a bill passed its several readings "to prevent bribery, intimidation or coercion in elections." It is said to be the immediate handiwork of John pool, and is worthy of its little author. We will publish it, if it becomes a law. The first persons liable to indictment under it, if it is worth the paper on which it is written, will be those Radical officials, Railroad Presidents, and others, who have discharged employees for being Democrats and Conservatives.

PRESIDENTIAL ELECTORS.

It is important that the Democrats and Conservatives of this State, in the selection of suitable gentlemen for Presidential Electors, should carefully avoid any action which would give the Congress any ground for objecting to them. We believe it is universally conceded by all, that the Presidential electors must not be *himself* by the 14th (Howard) amendment. Some suppose that it will be necessary that they should be able to take the test oath, but the correct opinion is, we believe, that this is not requisite.

It is suggested, and seems to be generally approved, that the delegates in attendance at the State Convention, from the several Districts, shall hold meetings while here, and select the Electors for their several Districts, provided the delegates present shall deem it advisable.

THE JUDGES.—The Radical-rebel organ of this city, the *Standard*, says that it is "gratifying to *know* that the entire Supreme Court will go with the Chief Justice for Grant and Colfax." Why, we did not suppose that any one has doubted this, at any time, since the qualification of the Judges. Not one of them has been regarded, since, as a Conservative, and the inveteracy of office-holding, if nothing else, would keep them aloof from the defeated Conservatives.

Moreover, the *Standard* says, it is "gratifying to believe that every single District Judge in the State will support the same ticket." We should not be surprised, (except in the case of Judge Mitchell,) and joy go with them! The Radicals elected them as nothing else, and, being the winning party, of course all the Judges are Radical. We say *except* Judge Mitchell. We are inclined to think that if you were to put him into a mortar and pound him with a pestle, you could not make a *Radical* of him. Yet we do not "*know*" positively his position.—Human nature, in these times, is too weak and unreliable, for one to speak too confidently of any man.

JUDGE PEARSON'S LETTER.—We shall defer, until the pressure upon our columns is removed, any elaborate review of Judge Pearson's recent letter. Its character and contents do not intrinsically merit it. A more vulnerable or a weaker letter never came from such a source. The character and position of Judge Pearson, himself, give far more importance to it, than any thing he has said. Its illogical, feeble and untenable positions shall be reviewed, when our columns are less burdened and our time less engrossed.

MASS MEETING IN SELMA.—We learn that the Mass Meeting and Democratic Barbecue at Selma, on Tuesday, was an immense affair. About fifteen hundred persons were present and the occasion passed off gloriously. The concourse were ably and eloquently addressed by Col. R. H. Cowan, Maj. J. A. Engelhard, of the Wilmington *Journal*, Capt. S. T. Williams, J. W. Sharp, Esq., and other gentlemen, whose names we have not heard. The enthusiasm was unbounded. We hope to be furnished with a full account of this imposing demonstration.

THE RABEL organ in this City, the *Standard*, says that, during the last campaign, "Col. Cantwell's letter to Judge Dick was widely circulated,—25,000 copies." The grocers are duly thankful for the supply of wrapping paper. We have never yet seen the individual who had courage enough to read *that* letter.

THE NEWBERN *Journal of Commerce* says that "if an irresponsible militia, composed only of the "loil," (all of us understand who will be considered "loil,") shall be armed and attempt *illegal* arrests, they will be resisted, let the consequences be what they may."

The pretended Legislature of South Carolina wants to borrow $125,000. Anybody anxious to invest in the South Sea bubble?—*N. Y. World.*

The rebel Legislature of *North* Carolina is in the market to borrow $100,000. Who bids?

The Radicals are, evidently, not so much at ease about the Presidential election, and so confident of the election of Grant and Colfax as they were a short time since.—The *Tribune*, for instance, the real organ of the Radicals, say: "We do not believe, nor wish others to believe, Gen. Grant's election certain. We would have every one realize that the election is not yet decided; that the Republicans can win if they work, but must lose if they are heedless or apathetic."

Campaign exigencies have evolved no less than fifteen Lives of Gen. Grant. He will need them all if he expects to live long enough to be President of the United States.

GRANT says "Let us have peace." What does he mean but that the "Empire is peace!"

GENERAL ASSEMBLY OF NORTH CAROLINA.

BY AUTHORITY OF CONGRESS.

FIRST SESSION.

SENATE.

WEDNESDAY, Aug. 12, 1868.

Senate was called to order at 10 o'clock.

The bill to incorporate the Enterprise Manufacturing Co. passed its third reading.

Mr. Welker offered a resolution, authorizing the Principal Enrolling Clerk to employ not exceeding two assistants, at $4 per day; which was adopted.

THE SPECIAL ORDER, *viz:*

The bill to organize a detailed militia in this State, was taken up.

Mr. Wilson, of Forsythe, offered to amend sec. 5., as follows:

"All division and brigade commanders shall be appointed by the Governor, field officers of regiments shall be elected by the commissioned officers of the Companies comprising each regiment respectively, and the officers of each Company shall be elected by the rank and file of each Company."

The motion was lost by the following vote:

AYES.—Messrs. Barnes, Beeman, Love, Melchor, Mason, Osborne, Purdie, Robbins, Wynne and Wilson—10.

NAYS.—Messrs Beasley, Bellamy, Brogden, Burns, Blythe, Colgrove, Cook, Davis, Eppes, (negro,) Forkner, Galloway, (negro,) Hayes, Harrington, Hyman, (negro,) Jones, of Wake, Legg, Lassiter, Long, Martindale, Moore, of Carteret, Moore, of Yancey, Rich, Richardson, Smith, Shoffner, Sweet, Welker and Winstead—28.

Mr. Osborne proposed to amend the 9th section, by providing that, instead of authorizing the Governor to call out the force, by the request of five Justices of the Peace, to add the Sheriff of the county and five Justices. The motion was lost.

Mr. O. also moved to amend the 12th section, so as to authorize any office to call out this force, at the request of a Judge, five Justices, or the Sheriff, striking out county or town constable, or any County Commissioner. The motion was lost.

Mr. Osborne offered, as an additional section, the following:

"That the detailed militia, provided for in Sec. 5, is only designed to aid the Sheriff in each county in the preservation of order. That said detailed militia, while on service in each county, shall be under the control and direction of the Sheriff of said county—shall obey his orders, and be continued in service in said county only so long as he may require."

The motion was lost by the following vote:

AYES.—Messrs. Barrow, Barnes, Beeman, Lindsay, Love, Melchor, Mason, Osborne, Purdie, Robbins, Sheffner, Wynne, Winstead and Wilson—14.

NAYS.—Bellamy, Brogden, Burns, Blythe, Colgrove, Cook, Davis, Eppes, (negro,) Forkner, Galloway, (negro,) Hayes, Harrington, Hyman, (negro,) Jones, of Wake, Legg, Lassiter, Long, Martindale, Moore, of Carteret, Moore, of Yancey, Richardson, Smith, Sweet and Welker—25.

Mr. Robbins offered an amendment to the 22d section, forbidding any organized body of the detailed Militia from being allowed to approach within one quarter of a mile of the polls, during an election, unless in case of an actual riot. Lost.

Mr. Osborne offered the following, as an additional section to the bill:

"That the provisions of this bill, contained in Sections 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, and 22, shall continue six months, and no longer, unless otherwise directed by the General Assembly, by appropriate legislation." Lost.

Mr. Love arose to offer an amendment, when Mr. Sweet moved the postponement of the question for five minutes to make a motion to place the previous question second in order in the rules.

Mr. Love protested against this action, on the part of the majority, as unjust to the minority, and was proceeding to discuss the question, when the Chair called him to order.

Thereupon Mr. Colgrove called the previous question.

Mr. Love asked him to withdraw it a moment, to enable him to offer an amendment in good faith.

Mr. C. declined, and Mr. Love denounced his course as an additional evidence of the disposition of the majority to prevent free speech.

The main question was then called, and the bill passed its third reading, as follows:

AYES.—Messrs. Barrow, Beasley, Bellamy, Brogden, Burns, Blythe, Colgrove, Cook, Davis, Eppes, (negro,) Forkner, Galloway, negro, Hayes, Harrington, Hyman, negro, Jones, of Wake, Legg, Lindsay, Lassiter, Long, Martindale, Moore of Carteret, Moore, of Yancey, Richardson, Smith, Shoffner, Sauet, Welker, Wynne and Winstead—30.

NAYS.—Messrs. Barnes, Beeman, Love, Melchor, Mason, McLaughlin, Osborne, Purdie, Rich, Robbins and Wilson—11.

On motion, the Senate adjourned.

[The Reporter prepared copious notes of the debate in which Messrs. Osborne and Robbins, most ably and forcibly, opposed the bill and Messrs. Winstead, Jones, of Wake, Lassiter, Wynne and Brogden, *in favor of the bill*, took part. The discussion took a wide range and continued to a late hour. Our limits prevent a notice of the debate to day, but we will endeavor to give a *resume* of it to-morrow.

The bill, itself, shall also appear to-morrow.]

HOUSE OF REPRESENTATIVES.

[BY UNDERGROUND RAILROAD.]

House was called to order at the usual time.

Prayer by Rev. Morris, (negro,) of the House.

On motion of Mr. Sinclair, the rules were suspended, and the bill regulating taxation in incorporate towns was taken up.—Mr. S. offered an amendment to Section 2, inserting $300 in lieu of $100. The amendment was put to a vote and adopted.

Mr. Seymour objected to the whole bill and moved its reference, with the amendment, to the Judiciary Committe. The motion was put and prevailed.

By Blair: A bill to equalize the tax lists in Randolph County, known as the Convention tax. The bill passed its several readings under a suspension of the rules.

On motion of Mr. Seymour the rules were suspended, to take up the bill entitled an act to amend an act to incorporate the Newbern Gas Light Company. The bill passed its several readings, and was ordered to be engrossed and sent to the Senate.

The hour arrived for the special order: A bill to amend the Charter of the Chatham Rail Road Company.

Mr. Pou opposed the passage of the bill until it was better known. He wished to know what security the State would have for the investment of her bonds in said road, and cautioned the House to look well to the securities. Such bills should be well considered and have mature consideration. He moved that the bill be printed and laid on the desk of each member to-morrow morning.

Laflin entered into a defence of the bill, generally, and insisted that the State could lose nothing, as it was not a loan, but a mere exchange of bonds.

Harris, of Wake, (negro,) opposed the motion to print, as it would delay the passage of the Bill. He moved to lay the motion to print on the table. The motion was put and carried.

Mr. Hodnett said he thought that was legislating impulsively. Yesterday the House passed bills rapidly, involving the State to the amount of nearly six millions of dollars, and were endeavoring to increase her liabilities three millions more without having any time for examination or consideration. We were following in the footsteps of Tennessee, and we would soon reach her condition. We must attach more importance to these Railroad bills, especially as they involve our credit.

Mr. Sinclair advocated the passage of the bill.

Ku Klux Ingram wanted to put in his little "word or two." He was very honest but "locked" information; however, he would raise his voice in favor of the bill, and he raised it, unbridled, slept and was heard no more.

Laflin thought some were getting too inquisitive, and, therefore, called for the gag-law. The call was hearkened to and sustained by his Radical brethren, who were in the secret.

Upon its final passage the yeas and nays were called, and the bill passed its third reading, by a vote of yeas 58, nays 17.

A message was received from the Senate, asking the concurrence of the House in a resolution to employ two additional Clerks at $4 per day.

Mr. Sinclair moved to concur.

Mendenhall objected. He said the present clerical force was not employed half the time.

Sweet, (negro,) also objected, saying that the difficulty was in the incompetency of the present Clerks. They should have looked to common sense at the beginning. The further consideration of the resolution was postponed.

Mr. Speaker Holden took the floor and moved to take up Senate bill to incorporate the Life Insurance Annuity and Trust Co.

The bill was taken up and passed its several readings.

Laflin called up the bill to amend the charter of the Western N. C. R. R. Co.

Mr. Pou moved to print the bill and make it the special order for some hour to morrow.

Candler objected to the postponement.

Old Major Downing, having refreshed himself by a good nap, thought it was time to take a hand; he, therefore, moved to lay the motion to print on the table. The motion was adopted, and the bill passed its third reading, by a vote of yeas 70, nays 12.

Laflin called up the bill to amend the charter of the Williamston and Tarboro Railroad.

The Speaker, not thinking a quorum present, ordered the doorkeeper to hunt up the "cheese and cracker brigade" and seat them. They were accordingly marched in.

Laflin called the previous question. The call was sustained, and the bill passed its third reading, by a vote of yeas 67, nays 10.

Harris, of Wake, negro, called up the bill to punish bribery and coercion in elections, (drawn up by John pool.)

Mr. Durham was opposed to the second section, especially. It was a matter that this Legislature had nothing to do with.—It was perfectly absurd and ridiculous for this body to attempt to pass such a bill.—Legislators would stultify themselves by passing such a law. It plainly showed the cowardice of the Radical party. They endeavored, by all the legislation in their power, to drive the people into adopting their views and voting for their candidate. It is, in spirit and letter, an attempt to intimidate men from giving a fair expression of opinion in the next election.

Mr. Sinclair said he thought the gentleman misinformed as to the intention of the bill. He put a different construction upon it. There were some objections to it.—Strike them out and he would support it.

Mr. Argo was in favor of any bill to prevent bribery or coercion, but wanted a bill that would prevent such things, drawn up in a proper and legal manner,—one that would protect the rights of all, and not infringe upon the rights of any. He moved to amend, by striking out sections 2, 3, 5 and 7.

Seymour called for the previous question. The call was sustained and the question recurred upon Mr. Argo's amendment.

The question was put, the amendment was rejected, and the bill then passed its third reading.

Old Major made a motion in regard to the bill, to which no one paid the least attention.

On motion of Mr. Sinclair, the House then adjourned.

The last game of thimble rig has a beautiful exemplification in the militia law of the African Legislature of Arkansas. Section eight says any person subject to militia duty may commute by paying five dollars, and section fourteen says the bogus Governor "shall have full power to order into active service the military force of this State."—This is Grant's policy of attrition—grind out of 'em all you can.—*New York World*

The so-called "militia law" of our rebel Legislature proposes to let any one of those subject to military duty commute for *two* dollars. Every decent man in the State, who can raise $2, will be very apt to commute. So that the regular militia will certainly consist of shirtless vagabonds, black and white, who have no interests at stake. This is what the Radical-rebels want.

EXTRACT from a letter dated Hendersonville, August 5, 1868:

"We have some little political excitement here. Governor Holden's manifesto that none but "Loyalists" shall have office, place or employment in the State, are waking up our people to the necessity of self defence and the protection of themselves and friends. Many of them are determining to rent no lands to, nor employ any of, their Radical proscription persecutors, on their premises, after the expiration of their present contracts, black or white. Perhaps, the Governor can take care of them. But the property holders do not feel safe in harboring and supporting a set of secret, oath-bound conspirators, eating out their substance and voting away their liberty and property, at the dictation of unprincipled tyrants."

AN EXPRESS GOVERNOR.—They tell this tale in Georgia: Bullock, who "writes himself Governor" of that State, was formerly the Southern Express agent at Atlanta. On the Sunday after his "inauguration" he determined to cut a splurge in the way of church-going, and a fine equipage was ordered from a livery stable, but the horses not proving stylish enough to suit the fastidious taste of the "Governor," he had them taken out, and substituted a pair of fine black express horses. The equipage dashed through the streets with liveried driver, and of course attracted considerable attention. Just as the carriage stop was opposite the door of the church the driver called to the proudly prancing steeds, whoa! and in an instant the noble animals, true to their education and habits as "express carriers," wheeled upon the axe of a circle corresponding with the length of the pole of the carriage, and backed the vehicle with a jam and crash, into the very door of the sanctuary. The "Governor" has not appeared in state since.

FROM TENNESSEE—THE GOVERNOR TO CONTROL THE MILITIA.

NASHVILLE, TENN., Aug. 8.

In the House a bill has been submitted by the military committee giving Governor Brownlow absolute power to arm and equip as many regiments as he pleases. The bill is certain to pass, and it is equally certain that the regiments will be in part made up of negroes. Hundreds of the latter are now arriving here, waiting for a chance to be mustered in, while a number of whites are busy trying to secure positions as officers.

Petitions are pouring in by the dozen earnestly imploring the Legislature not to call out the militia. It is not improbable that the Conservatives in the State will entirely withdraw from the canvass.

If a decision is arrived at that the canvass will go on with the militia in the field, it will be an impossibility to prevent riot and bloodshed. There is a division of sentiment in the democratic ranks as to what course to pursue.

A rumor having gained considerable currency that a number of persons were banded together to burn the city, some of the prominent citizens met yesterday to make an investigation. Nothing could be discovered to implicate any one except a half-witted white man, who has been threatening terrible vengeance against the city.

The *Press* and *Times* yesterday morning contained details of terrible outrages in Williamson county, by the Ku Klux, on a lot of negroes, wherein one was shot dead and a number badly wounded. The grand jury of the county made an investigation to day, in which it was found that the story was false.

SOUTH CAROLINA—THE DEMOCRATIC STATE CONVENTION.

COLUMBIA, S. C., Aug. 9.

The Democratic Convention for the choice of Presidential electors adjourned last night. All the districts in the State (thirty-one in number) were represented by their ablest public men.

On motion of Gen. Wade Hampton, Capt. Mebary, Vice President of the Soldiers' and Sailors' Convention, was invited to the platform amid great applause.

On motion of Judge Aldrich a resolution was adopted, in the name of the Democracy of South Carolina, extending their thanks to the delegations from the North, East, and West, by whom the Southern delegations were received in the New York Convention.

The resolution says: "We accept that reception as an evidence of sympathy and sincerity, and gratefully declare that it has done more to heal the wounds of the past than any other event since the war."

Other resolutions endorse the platform, express gratitude to Andrew Johnson, and return thanks to the citizens, soldiers, and sailors of the North who have raised their voice in behalf of an insulted and outraged section.

On motion of Wade Hampton, it was

"*Resolved*, That while entering our protest against the Radical reconstruction acts, we rely confidently on constitutional agencies and peaceful measures alone to bring us the relief sought and reforms needed."

The proceedings were exceedingly harmonious.

TO LAND OWNERS.

HAVING BEEN APPOINTED, BY THE AMERICAN AGRICULTURAL AND MINERAL LAND COMPANY, Agent for all that part of North Carolina lying west of and including Catawba County, I am authorized to say, to any person or persons having 2,000 acres in one body, partially cleared and near a Rail Road, that if they will agree to subdivide their lands at the expence of the Company the Company will purchase at one half of their assessed value for taxation, or as ascertained by two disinterested parties, paying for the same in the Company's stock—the Company obligating itself to place a white settler in every 200 acres, so acquired, within three years, or, failing to do so, such land unsettled to revert to the original owner; the owner to retain possession until the land is settled.

The object of this system is to bring into the State an industrious and thrifty population and to enhance the value of our own. It has been adopted in other States and so used to be working finely.

THURSDAY, AUGUST 13, 1868.

The Reception of the Delegations Last Night!

MAGNIFICENT DEMONSTRATION!!

GREAT ENTHUSIASM!!

Telegrams received during the day, on yesterday, informed our people that large delegations from glorious old New Hanover, and the counties on the line of the various Railroads, were en route for Raleigh, *via* Weldon and the Raleigh and Gaston Railroad.

About 7 o'clock, P. M., the city Young Men's Seymour and Blair Club formed in front of the Court House, and a cavalcade of thirty-seven mounted men wheeled into line at the same place. This organization was gotten up under the immediate auspices of our public-spirited young townsman, Thos. G. Jenkins, Esq. Each horseman wore an appropriate scarf of red, white and blue, and each horse's head was decorated with a flag bearing the inscription of each one of the States. At the head of the cavalcade the United States flag was carried by W. C. Parker, former color bearer of the 14th. N. C. Troops. The whole presented a highly imposing appearance.

The cortege moved to the Depot, accompanied by torch-bearers and a large concourse of citizens. About 9½ o'clock, the whistle of the approaching engine set the crowd all ablaze with enthusiasm—Soon the cannon from a flat-car on the nearing train thundered forth, music aboard sent forth its thrilling strains, and cheer on cheer from hundreds of throats rent the air.

The various delegates were welcomed, in a stirring and appropriate address, by C. M. Busbee, Esq., President of our Young Men's Club, which was most handsomely and eloquently replied to by Col. A. M. Waddell, of the New Hanover Delegation.

A procession was then formed, which marched through several of the streets to the Club room prepared for the New Hanover delegation. At every stage of its progress, loud and enthusiastic were the shouts and huzzas.

The New Hanover delegation was accompanied by a detachment of the colored Club of Wilmington, two bands of music, martial and instrumental; several minor transparencies, and one grand pyramidal transparency, carried on a wagon, exhibiting full size likenesses of Seymour and Blair and beautiful and patriotic mottoes.

But of all these things, we must defer notice. We write this hasty paragraph at the hour of midnight, and cannot pretend, of course, to do justice to the inspiring occasion.

We should estimate that between five and six hundred delegates arrived on the trains last night. Every prospect indicates a grand and glorious Convention of patriotic freemen! NORTH CAROLINA IS AROUSED! *The ball is fully in motion!!*

We regret to state that, at the Depot, while awaiting the arrival of the trains, a serious riot was, at one time, imminent, which was only prevented by wonderful forbearance on the part of the white men. A difficulty having occurred between a white man and a negro, it was made the pretext for a turbulent and riotous demonstration on the part of certain negroes—Stones were thrown by the n—one of which struck a young gentleman of the city, painfully, though slightly, wounding him—The number of white men present was sufficient, had a collision taken place, to have annihilated the disturbers of the peace, which makes their prudence and forbearance the more commendable and remarkable. A. H. Galloway, of New Hanover, deserves great credit for his prompt rebuke to the disorderly men of his color, and his efforts to restrain their violent and insulting exhibitions. This demonstration, taken in connection with a threatening letter, leads to the certainty that it was, in a measure, premeditated. But, from prudential reasons, and, on account of the lateness of the hour, we stop here.

TUCKER HALL.—This magnificent room is ready for the reception of the Convention, to-day. The ladies of the City, with their characteristic taste, have decorated it beautifully. The Hall presents a gala aspect, that is calculated, of itself, independently of the stirring scenes that will be witnessed within its walls, to inspire pride and enthusiasm. All honor to the ladies,—ever patriotic, true and forward in good words and works! We will give our readers, to-morrow, a full description of the appearance of the Hall.

OUR READERS must not expect much from us until the Convention is over. We will try to keep pace with the current news of the day, the drift of Legislative proceedings, and to give the public some idea of the doings of our great State Convention.

PERSONAL.—Our friends and brethren of the craft, Maj. J. A. Engelhard, of the Wilmington *Journal*, and Capt. R. A. Shotwell, of the Western *Vindicator*, arrived on yesterday, to attend the Democratic Convention. We are pleased to see them both in excellent health and spirits.

"Mr. Speaker, I am alarmed at the condition of the country. *It is proposed to send arms to North Carolina, that the people may use them against each other. Great God! we cannot afford to fight each other.* KEEP AWAY YOUR ARMS! DO NOTHING TO IRRITATE OUR PEOPLE, BUT DO EVERYTHING IN YOUR POWER TO ASSUAGE AND HEAL THE EXCITEMENT THERE. We want no arms. I WARN THE HOUSE THAT IF ARMS ARE SENT THERE WE WILL BE RUINED; we cannot live there. If we need anything in the way of arms, in God's name send an army of the United States there, *but do not arm neighbor against neighbor. There never was a more mischievous measure than this proposition to arm one class of our people against another.*"—*Mr. Boyden's speech in the House of Representatives.*

NEW ADVERTISEMENTS.—We direct attention to the new announcement of W. H. Crow, Esq., General Agent of Ætna Insurance Company. It mentions new and striking features, which cannot fail to impress the public.

THE PEOPLE MOVING!

WASHINGTON.

Meeting in Plymouth on the 10th. inst. Chas. Latham, Esq. presided, and Jas. N. Windley, Esq. was appointed Secretary.—Excellent resolutions were adopted,—among others, one denouncing the infamous War Bill of the present bogus Legislature, and one inviting the colored men of the county to co-operate with the Democratic Conservative party. Fifty delegates were appointed to the State Convention. The meeting was addressed by Jno. Beasley, Esq. and Maj. L. L. Latham.

CALDWELL.

Meeting in Lenoir on the 8th, inst. Gen. S. F. Patterson presided, with W. D. Jones and J. R. Wilson as Secretaries. Maj. W. H. Malone addressed the meeting in an eloquent and effective manner. A resolution was adopted denouncing the wicked War Bill of the present rebel Legislature—Twenty five delegates were appointed to the State Convention, with Gov. Manly, Col. W. W. Dickson, Maj. H. W. Husted and Hon. Jno. H. Bryan, as Proxies. A Seymour and Blair Club was organized.

The following were unanimously adopted, viz:

WHEREAS the fundamental law of North Carolina has ever declared "that the people of this State ought not to be taxed, or made subject to the payment of any impost or duty, without the consent of themselves, or their representatives in General Assembly freely given;" *and whereas* Edmund W. Jones and James C. Harper were elected for their honesty, faithfulness and capability, as representatives of this county, by a large majority; *and whereas* a body created by this revolutionary party and styling itself the "General Assembly" of North Carolina assumes to legislate for this county and levy and collect taxes; therefore

Resolved, That the people of Caldwell county do most solemnly protest against the unjust and unlawful exclusion of our representatives.

Resolved, That we still hold the fundamental doctrine that taxation and representation should go together.

HAYWOOD.

A rousing meeting in this County. A number of delegates were appointed to the State Convention, with W. L. Love, Esq., Senator from the 43rd. District, as Proxy. Haywood has six Seymour and Blair Clubs in operation, and others are forming.

CHATHAM.

Large and enthusiastic meeting in Pittsboro, on the 7th. Dr. John A. Hanks presided, and Capt. W. L. London was Secretary. A Seymour and Blair Club was formed, and the *Sentinel* Constitution adopted. A Committee was appointed to solicit members and nominate officers, and also a Committee, consisting of five colored men, to solicit members of their color. The meeting was address ed by Jno. Manning, Esq. Among the admirable resolutions adopted was the following:

Resolved, That we entertain no prejudice against the negro, but will maintain for him, and with him, his just and legal rights and privileges; and, most earnestly desiring the two races to cultivate for each other the kindliest feelings, we invite them to co-operate with us in rescuing our State from the rule of *strangers* and *aliens*, and thus to establish their freedom upon a sure and lasting foundation.

DAVIDSON.

Meeting at Tyro and Cross Road Districts, at Myers' School House, on the 8th., to form a Seymour and Blair Club. Col. Jno. Myers presided, with David Koontz as Vice President, and Taylor Walser as Secretary. A Constitution and By-Laws were adopted, and all present, except one, were enrolled as members. The Club was effectively addressed by Maj. H. C. Walser, and other gentlemen.

LINCOLN.

Meeting in Lincolnton on the 8th.—David Williams, Esq., presided and Messrs. L. S. Camp and J. R. Self were Secretaries. Col. Jno. F. Hoke and David Schenck, Esq., ably addressed the meeting. Appropriate resolutions were adopted and ten delegates were appointed to the State Convention.—A meeting for the organization of a Club is to be held on the 22nd.

A. & N. C. RAILROAD.—The Newbern *Journal of Commerce* says that "the Radical axe, ground by the new Directory on this Road, has fallen upon the necks of several of the best workmen in the shops, and their heads are rolling in the sand." Let the axe swing, and let Democrats and Conservatives note the fact and govern themselves accordingly.

Correspondence of the Sentinel.

GLORIOUS FROM OLD CHOWAN—ORGANIZATION OF A SEYMOUR AND BLAIR CLUB—THE BALL IN MOTION—THE PEOPLE DETERMINED.

EDENTON, N. C., Aug. 11th. 1868.

The citizens of Edenton, *en masse*, with a goodly number of visitors from the country, assembled at the Court House, on Thursday night last, Messrs. Editors, for the purpose of organizing themselves into a SEYMOUR AND BLAIR CLUB, which purpose was effected by the election of James E. Norfleet, Esq., as President, and H. A. Bond, Sr., Esq., Vice-President, with Wm. Brenan, Esq., as Recording, and F. W. Bond, Esq., as Corresponding Secretaries, and J. R. B. Hathaway Esq., Treasurer.

The greatest enthusiasm prevailed in this first effort to convene the people, to consider their political status in this trying hour of their country's political history, and if we are to judge the future by the action of the first move of our people, we may well assure the Conservatives of other sections that, in the approaching contest, old Chowan will redeem herself from the reign of Radical terror, that has for so long been consuming her vital spark of freedom.

The Club adopted resolutions that are patriotic in their construction and unobjectionable to none other than those foul-mouthed vipers, who sail under the filthy epithet of Radical.

We have not attempted to give you a full discription of this glorious organization, Messrs. Editors, but a mere synopsis. A full account would consume too much of your valuable space, but we cannot desist, however, without noticing the able, lucid and eloquent speech of that staunch and zealous young advocate of Democratic Conservatism, Augustus M. Moore, Esq. His speech, to make short of remarks, was one of the best of the season, and let me here remark that, in the opinion of many, no better selection could be made than by making him one of our District Electors.—His style is easy,—not at all impulsive, but firm and unyielding. We truly hope to see him in a position during this campaign that will induce him to enter the field.

Major H. A. Gilliam, the old and tried wheel horse, made one of his best speeches, and we can assure all, who have never heard him, that they have missed listening to one of the most argumentative and best speakers in the State.

We have now commenced in down-right good earnest, and as the campaign progresses you shall hear from us. Preparations are now being made for the raising of a Seymour and Blair Pole, and, in fact, you can count on Chowan. We are galled and girded enough with such *carpet-bag* representatives as French, *et als*, and with the domination of *scallawags* in general. No effort will be wanting on our part to give them their final *quietus*. WILL.

For the Sentinel.

A GOOD SUGGESTION.

ORANGE COUNTY, Aug 10, 1868.

Messrs. Editors:—Since the surrender of the Southern army our people have been governed by but one principle, viz: that of entire submission to the powers that be. We have suffered much, and are prepared to suffer more. Under all the trying circumstances through which we have been called to pass, there has been but one hope that has heretofore sustained us, and that is, that God has implanted in the human breast such a sense of justice, as will eventually right those who suffer wrong. The Almighty has also given us another principle of action, viz: that we should defend ourselves, when wrongfully assailed, and not, like vile earth-worms, suffer ourselves to be trampled in the dust. There are, however, two ways of asserting our rights: first, the resistance of wrong by force; and, secondly, an appeal to the principle of right above referred to. This last would be more in accordance with the uniform character of the people of our beloved, but down trodden, State. The great question is constantly occurring to us, how are we ever to have justice done us under the present state of things?

Take, for instance, the remarks made by Mr. Dewease in Congress, and, also, the course pursued by Gov. Holden, and the injurious charges made in connection with his call for a militia law. All this, and much more, has been done with the view of affecting the Northern mind in the approaching election. Now shall we quietly submit to this great wrong, which so seriously affects us and our children after us? There is but one peaceable way of avoiding this. We have good and great men among us, who have a national reputation. These persons have been honored by North Carolina in the conferring of every office at her command. I would allude here, more particularly, to the Hon. Wm. A. Graham and the Hon. D. L. Swain, and there are others that might be named; but the two mentioned have been especially honored by their native State in times past, and they have our confidence still, and also the respect and confidence of the whole country. Let these gentlemen, separate and apart from all party organization, and under the sanction of their names and character, make a full and fair statement of our situation, our feelings towards the Government, and the unnecessary and harsh treatment we have been subjected to; and, my word for it, the party tricks of Dewease and Holden will fall harmlessly to the ground.

This move, in vindication of the honor of the State, ought to be made at once

ONE OF THE PEOPLE.

ATROCIOUS MURDER BY A NEGRO.—We learn, from a private source, that, on Sunday last, a very worthy citizen of Washington County, by the name of George Swain, was brutally murdered by a negro under very aggravated circumstances. Mr. S. found the negro in his orchard stealing fruit, and requested him to leave. This he refused to do, and on Mr. S. approaching him for the purpose of compelling him to leave, the negro advanced, drew a large knife, and instantly killed him. This is another "rebel" outrage.

GOING WEST.—Our enterprising friend, J. B. Hunter, Esq., of Portsmouth, Va., is on his way to the Western part of the State, with a view of looking into the Dried Fruit trade, &c. We commend him to our people in that section as an energetic and liberal Merchant.

HON. D. L. SWAIN.—We are much pained to learn that the Hon. D. L. Swain was thrown from a carriage in Chapel Hill, or its vicinity, on Tuesday, and seriously hurt. We have not heard the extent of his injuries, but sincerely trust that they are not so severe or critical as have been rumored.—Prof. Fetter, who was riding in the same vehicle, was also hurt, but not seriously.

"When the storm is over, the Conservative party, representing, as it does, THE PROPERTY AND INTELLIGENCE OF THE STATE, will take the guidance of affairs, AND ALL WILL BE WELL."—*Judge Pearson's Letter.*

ÆTNA LIFE INSURANCE COMPANY,

DESCRIPTION OF POLICIES.

First.—Whole Life Policies.

Second.—Endowment Policies, for terms of ten, fifteen, twenty, twenty-five, thirty, and thirty-five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance, or annually during a period of five, ten, fifteen, or twenty years within the insurance term; or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies, issued at the published rates, will participate in the surplus from the date of issue.

The dividends will be declared and paid annually upon the contribution plan, and may be applied as the assured shall elect, either to reduce future premiums, or to increase the Cash Value of the Policy.

If no election be made, the dividends will always be added to the Cash Values.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount* without further payments, the assured may at his option, either continue the payment of premiums—and enlarge thereby the annual additions to its Cash Value—or discontinue them; and in either case, when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a percentage of said sum, and paid in cash, and upon surrender of said Policy the sum insured thereby, will be paid in *full*, without regard to the time fixed therein for its payment.

This system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but, at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.

Dividends on paid-up Policies—that is, Policies which require no further payment of premium to continue them in force for the original amount of insurance—will be paid in cash upon demand.

NON FORFEITURE RULES.

No Whole Life or Endowment Policy, on which two or more annual cash premiums have been paid, shall be forfeited by failure to make further payments, as stipulated therein, but will continue in force for the full amount which the Cash Value and dividends then accumulated, will purchase—taken as a single net premium upon the "Actuaries'" rate of mortality and four per cent. interest; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

No Whole Life or Endowment Policy shall be forfeited by an exposure of the assured life in violation of the conditions expressed therein, unless death shall occur UNDER OR IN CONSEQUENCE of such exposure, when the full Cash Value of the Policy, together with all accumulations from dividends, will be paid upon its surrender.

INCREASE OF INSURANCE.

Applications to increase the sum insured on any life will always be considered as applications for new insurance, and, therefore, no increase of insurance will be granted unless the unimpaired condition of the assured life shall have been proved by medical re-examination.

THE NATIONAL DEMOCRATIC CONVENTION:

THE PLATFORM.

"The Democratic party, in national convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the Government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or re-agitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys draws from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation of every species of property according to its real value, including Government bonds and other public securities.

Fifth.—One currency for the Government and the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bondholder.

Sixth.—Economy in the administration of the Government; the restuction of the standing army and navy; the abolition of the Freedmen's Bureau (great chevering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the Government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign Powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty, and individual rights; and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance and the claims of foreign Powers to punish them for alleged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has unlilled there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of spies and official espionage to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of the Government are rocking on their base, and should it succeed in November next, and inaugurate its President, we will meet, as a subject and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated, and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right, or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and it sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated Government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co-equal States; and that we regard the reconstruction acts (so-called) of Congress as usurpations, and unconstitutional, revolutionary, and void; that our soldiers and sailors, who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people, and should be sold, or given either under the pre emption or homestead laws, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the Government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson, (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

CONSTITUTION AND BY-LAWS FOR CLUBS.

We have received letters from several sources, requesting us to send printed copies of a Constitution and By-Laws for the organization of Seymour and Blair Clubs.—Having none on hand, and no funds to print them, we have prepared the following Constitution and By Laws, as a guide for Clubs, and submit them to the consideration of our friends. They were submitted to the Young Men's meeting to form a Seymour and Blair Club, in this city, on Tuesday night, and unanimously adopted:

CONSTITUTION.

ARTICLE 1st. This Association shall be styled the ——— Club of ——— of North Carolina.

ART. 2. The objects of this Association are as follows: To unite in close political compact every Democrat, Conservative, or by whatever name known, in North Carolina, for the support and defence of the Constitution of the United States; the promotion of the peace and good will of society and the harmony of the Union; the proper enforcement of law and order by legitimate forms, and the utter destruction of Radicalism every where, by the election of HORATIO SEYMOUR, of New York, as President, and FRANCIS P. BLAIR, of Missouri, as Vice President, and all other Democratic and Conservative nominees for any office; and, further, to promote the mutual benefit and protection of each other in all lawful pursuits, aiding each other in business, as being members of one great political family, seeking to promote each other's welfare, and especially to extend such aid to those who have been or may be ignored or proscribed by the Radical party, as the Association may be able.

ART. 3. The officers of this Club shall consist of a President, three Vice Presidents, a Recording Secretary, a Corresponding Secretary and a Treasurer, who shall perform the duties pertaining to such offices, and who, together with Five Directors, shall be elected annually at the annual meeting of the Association, and shall constitute an Executive Board, to whom shall be committed the interests of the Club.

ART. 4. This Constitution, and such By-Laws or Regulations as the Club may adopt may be altered, amended or changed at any public meeting of the Club by a vote of two thirds of the members present.

SUBSCRIPTION.

We, whose names are hereto annexed, do solemnly pledge our word and sacred honor, constantly and faithfully to promote the objects and aims of this Club as set forth in the foregoing Constitution, and do hold ourselves ready to defend the same, and to protect, to the extent of our ability, every member of this Association throughout the State.

BY-LAWS AND REGULATIONS.

1. Every member of this Club shall sign and subscribe the Constitution, in order to recognition.

2. All monied contributions to the objects of the Association shall be voluntary, and shall be held by the Treasurer, who shall keep an exact account and disburse the same only on the order of the Executive Board, to whom he shall submit his accounts when ordered.

3. The Club shall order its public meetings when and where it chooses, and the President may call meetings when desirable, but the Executive Board, or such of its members as may be designated, shall select speakers and make all necessary arrangements.

4. Each member of the Executive Board is hereby appointed a Committee to solicit names for membership, also monied donations for the objects of the Club, and to attend to the general interests of the Club, such as directing the correspondence, procuring and circulating documents, &c.

5. The Executive Board shall meet to transact the private business of the Club as often as it may order, (and the officers of the Club shall be *ex-officio* officers of the Board;) when the names of members shall be presented for registration or dismissal for good cause, to consider the financial business of the Club and such other private matters as may be necessary. All members of the Club may attend the private meetings of the Board when convenient, and may give counsel, but the business of the Board will be determined by the vote of the Board itself.

6. Any member of the Club intending to move to any other section, may obtain a certificate of his membership in this Club, if he desire it, to be signed by the President and Secretary.

7. The Executive Board of each Club will give special attention to all matters of registration, voting, &c., and see that all do their duty, and that the law is strictly observed, that all fraud or mal-practice is detected and duly punished.

REMARKS.

1. In South Carolina, Georgia, Mississippi and other Southern States, strong Democratic Clubs are being formed, composed of colored citizens. The Constitution above is so worded that it can be adapted to any place or persons. If Democratic Clubs can be formed entirely of colored persons, perhaps it will be best; but where there are few, the Clubs may decide to enter them on their registers or not, as they may elect.

2. We would suggest that Young Men's Clubs, everywhere, should embrace all young men, from 18 years of age, and upwards. Many old men are faint-hearted, timid, afraid to let people know their political *status*. Take in the young men, who have the pluck, and who may be educated to *love* the Constitution and the country, and who will always vote right, when they become of age. We need the ardor and boldness of youth, as well as the prudence and wisdom of age. The necessity for this, however, would be obviated, if the young men, under the age of 21, would form Clubs of their own.

3. We insist upon forming Clubs in every Ward, in every precinct and Captain's District in the State, where 25 or 30 members, and as many more as possible, can be obtained. The more the better. The talent and energy of all our people must be brought out. It will not do to let the old men and the old party managers do all the managing and the talking. We *must put every man* in some position to be useful. By having a Club in every Ward and every neighborhood, we can find room for a great many as officers and talkers and working men. We can have our Club meetings out of doors, these pleasant nights, by moonlight or camp fires, and there will be a chance for *every man*, who can make a talk, or a little speech, or a great speech, to do something in that line. Let the Clubs be formed. Bring out all our men to work for the Constitution and the country, and let us save them by the election of Seymour and Blair!

GENERAL REMARKS.

Revenue stamps may be used indiscriminately upon any of the matters or things enumerated in Schedule B., except proprietary and playing card stamps, for which a special use has been provided.

Postage stamps cannot be used in payment of the duty chargeable on instruments.

It is the duty of the maker of an instrument to affix and cancel the stamp thereon. If he neglects to do so, the party for whom it is made, may 30th of July, 1864, and used without a stamp, it cannot afterwards be effectually stamped. Any failure upon the part of the maker of an instrument, to appropriately stamp it, renders him liable to a penalty of two hundred dollars.

Suits are commenced in many States by other process than writ, viz: summons, warrants, publication, &c., in which case these, as the original process, severally require stamps.

Writs of scire facias are subject to stamp duty as original process.

The jurat of an affidavit, taken before a Justice of the Peace, Notary Public, or other officer duly authorized to take affidavits, is held to be a certificate, and is subject to a stamp duty of five cents, except when taken in suits of legal proceedings.

Certificates of loan in which there shall appear any printed or written evidence of an amount of money to be paid on demand or at any time designated, are subject to stamp duty as Promissory Notes.

The assignment of a mortgage is subject to the same duty as that imposed upon the original instrument; that is to say, for every sum of five hundred dollars, or any fractional part thereof, of the amount secured by the mortgage, at time of its assignment, there must be affixed a stamp or stamps, denoting a duty of five cents.

When two or more persons join in the execution of an instrument, the stamps to which this instrument is liable, under the law, may be affixed and cancelled by one of the parties.

In conveyance of real estate, the law provides that the stamp affixed must answer to the value of the estate or interest conveyed.

Any stamp is required on warrant of attorney accompanying a bond or note, when such bond or note has affixed thereto the stamp or stamps duty or note is secured by mortgage, but one stamp duty is required on such papers, such stamp duty being the highest rates required for each instrument, or either of them. In such case a note or memorandum of the value or denomination of the stamp affixed should be made upon the margin or in the acknowledgment of the instrument which is not stamped.
